1. Demand for places is high, so early application is necessary. A completed application is for consideration only by the Committee and no guarantee of a pitch allocation is inferred. Each applicant will be informed of the outcome of their respective application.
2. No 'exclusivity' is granted with permit such that there may well be similar types of unit/stall allowed into the park on the day.
3. If payment is made by cheque, permits may not be sent out until cheque has been cleared so adequate time should be left at application. Should a permit be issued prior to clearance and the cheque subsequently not paid, there will be no entry to park and the permit cancelled until/unless the appropriate fee is settled before the day.
4. If paying by cash through the post, please ensure at least Recorded Delivery is used.
5. Location of pitches are assigned in advance. You will be emailed a plan of the park with your location, prior to the event.
6. The Committee reserves the right to rescind a permit at any time should any bye-laws be breached by traders or, in the opinion of the Police or other Officials attending, there be any concerns in public safety matters.
